Hotel Information and Directions

We secured a room block of 20 rooms at \$109.00 per room. The hotel is undergoing a complete renovation. We are told that all the rooms from the 2nd floor on up have been renovated. New everything. However, the first floor is still being renovated and will not be done in time for our regatta.

Therefore, we will not be able to store boats inside the hotel this year. All your boats and gear will need to be put back in your cars for the night. Also, there will no longer be a free breakfast served at the hotel. We will provide donuts and coffee and fruit at the lakeside or you can run out to local restaurants in the morning. Once the renovation is complete, the hotel will have a full service restaurant, but it will not be done in time for us this year.
